**10th Annual Baked Beans & Brown Bread
Fundraising Luncheon
Sunday March 23rd
at St. James Anglican Church**

On Sunday March 23rd after morning worship.

Free Will Offerings will help to support a few young people to attend a week at Camp Huron this summer who otherwise would not be able to do so.

The luncheon will feature both unique and traditional baked bean 'creations' by our bean baker team as well as home baked brown bread by our Men's Breakfast group.

This event has always been a popular one with parishioners, and we look forward to an even grander turnout this year.
